Welcome to Casa Portinari!

Rules of the Ilha de Capri Condominium and Casa Portinari:

- Noise is prohibited between 10:00 PM and 8:00 AM, in accordance with the condominium rules. If this rule is violated with excessive noise during the specified hours, a fine will be imposed by the Ilha de Capri condominium on Casa Portinari and subsequently passed on to the guest.
- Smoking is not allowed inside the house, including the use of tobacco, cannabis, electronic cigarettes, and other smoking-related products.
- We kindly ask that food and drinks not be consumed on the sofas and armchairs in the living room, especially on the white sofa and pouf. In case of damage, a cleaning fee or the cost of replacing the furniture will be charged.
- Hanging clothes or towels on the balcony or terrace is prohibited.
- Please use only plastic or acrylic cups in the pool area; **glass items are strictly not allowed.**
- Pets are not allowed in the condominium or inside Casa Portinari.
- Barbecuing is only permitted in the designated area of Casa Portinari.
- Do not leave trash or personal belongings in the pool deck area.
- Please turn off the air conditioning when leaving the house or when the room is not in use.

Enjoy your stay!

Check-in & Check-out Instructions

- For house access, retrieve the keys from the lock box next to the garage gate.
- Push down the black panel and enter the code to unlock the safe.
- ***The access code is the last four digits of your mobile phone*** (the numbers need to align with the line markers at each side of the number row).
- Next, push the black button located to the left of the numbers down, and the safe will open. The keys will be inside. Your stay begins now, enjoy!
- For check-out, follow the same process, and remember to change the numbers to lock the safe after the keys have been placed inside.
